PRINCIPAL'S REPORT

Dear Parents & Students,

The students and staff are looking forward to showcasing the amazing talents of our students through next week's Performing Arts Concert (PAC). Three shows are scheduled, Wednesday matinee, Thursday matinée and evening. The theme is 'Into The Woods', a journey of inspiration. Thank you all parents for supporting this major event. Mrs Georgiou has done fantastic work coordinating the PAC with all staff contributing.

Parents and carers (esp. grandparents) are encouraged to complete the Tell Them From Me survey. The survey allows parents/carers to provide important insight into their child's education and school environment. Parents and carers are an important and valued part of our school community. We would appreciate your input and look forward to hearing what you have to say. The school will use survey feedback to make practical improvements and inform future school planning. The survey can be accessed via <https://nsw.tellthemfromme.com/survey/splash/hc9gc>

We welcome the return of Mrs Bretherton to 1JB. We are extremely grateful to Mrs Pendleton for continuing the quality learning in 1JB during Mrs Bretherton's term of absence.

Soon Mrs Johnson will be taking leave for a special occasion. Mrs Bretherton will teach 1JB from Monday to Friday. This will commence early in term 4. We wish Mrs Johnson, her husband and son the very best as they welcome another Johnson to their young family.

An expression of interest is currently in place to appoint an Acting Principal for the school from day 1, term 4.

A reminder the next P&C meeting will be held this coming Tuesday 18 September. It will be held in the library from 7.45pm. It would be great to have your attendance. The P&C makes a huge difference to assisting with our students and school needs.

Our capable P&C President, Mr Mohinder Rao, has proven to chair very worthwhile and effective meetings.

As the saying goes, "A concise (P&C) meeting is a good (P&C) meeting".

Aim High!

Greg McLaren, Principal.

"Every student is known, valued and cared for in our schools."

NSW Department of Education Strategic Plan 2018-2022.

AUSTRALIA**

PREMIER'S DEBATING

Congratulations to our Premier's Debating Challenge students who defeated Killara PS in round 4. The team comprised of Ethan L, Ruby W, Leon R and Noah D. They argued successfully for the affirmative hat 'That primary schools should teach compulsory swimming classes'. That is three wins from four debates. This week the team edges their way towards Regional Champions. We wish them well with their future debates. We are grateful for Miss Duncan's coaching and commitment.

KINDERGARTEN EXCURSION

Last Friday, our four Kindergarten classes experienced an eye-opening opportunity by travelling to the Royal Botanic Gardens. This experience assists with units of work in English, HSIE and Science. It relates to the book 'Alexander's Outing' by Pamela Allen. Many stories from the day should be relayed from our enthusiastic Kindy students. I am extremely grateful to the many parents who accompanied the students. Thank you the school staff for organising the excursion and looking after our precious students on the day.

MUSIC BY MOONLIGHT

This weekend, our school will again host local schools' bands in the Music by Moonlight Concert. The P&C Band Committee initiated this event with ongoing popular reviews from all schools involved. Schools contributing to the concert include Normanhurst West PS, Turrumurra PS, Warrawee PS, Pennant Hills PS and Thornleigh West PS. I thank the P&C, especially Mrs Wendy Griffiths, Mrs Ines Matenaer and other parents as well as band conductors for their active program, enabling our musicians many opportunities to shine.

PARENT INFORMATION

School Improvements by the Dozen for September and October onwards

- The school has purchased a further 15 brand new 5th generation iPads to replace the aging reconditioned fleet. Any class in the school can book these to support learning.
- The general assistants workshop will be relocated to enable chair and additional P&C storage near the COLA.
- The school has purchased additional MultiLit reading tutor teaching kits. The funding of these resources has come from both school and P&C funds.
- The upcoming holidays will enable the construction of an outdoor learning area directly outside the library entrance. Weather permitting, as the students return for term 4, a three tier concrete area will replace the current eyesore garden. This project was largely funded by our generous P&C with the help of a Federal Government grant.
- The upcoming holidays will enable the removal of the unsafe concrete barbeque allowing later in the year for the development of another outdoor learning space which will include gardens and seating as well as other special features. This project was inspired by a Years 3 & 4 project based learning unit.
- Our talented general assistant, Mr Pendleton will display his cabinetry skills during the upcoming holidays to build music storage in the resource room next to the Early Intervention room. This room will be known as the performing arts room. It still will be shared with OOSH depending on the time of day. Mr Pendleton's skills will save the school a tremendous amount of money.
- An additional class pack of Lego EV3 Robotics for 20 students plus storage has been purchased.
- Our refurbished student toilets project has been completed. Next week, the much needed upgrade will be officially opened with the construction contractor handover. We thank the Department of Education for fully funding this project.
- The school has purchased new representative sport shirts and singlets through a Sports grant and PDHPE funding.
- Soon fencing with gates will separate the students from the staff carpark. The fencing will partition student pedestrian access near the uniform shop as well as near the school office steps. We have discussed this plan through WH&S and with the assistance of Department of Education consultants.
- 20 sets of various titled Readers for Year 3-6 has been purchased. The various titles should engage reluctant readers and extend proficient readers.
- The school has purchased six digital cameras. This enables more photographs from our eight trained student photographers from Year 6. As part of the student leadership program the photographers include: Olivia, Emily, Seth, Anton, Owen, Archie, Natalie and Will.

Student Photography Competition

Nearing the submission deadline which is tomorrow, the Kids (Children) Photography Competition for the School Community Calendar has proven to be very popular. Examples of the photographs are displayed around our playground. All students are encouraged to take their best photograph related to the category. This is a P&C fundraising initiative coordinated by school parent, Mrs Angela Carswell. For further information and entry submission

email: nwpscalendar2019@gmail.com

Family Fun Day

Preparations are going well beyond expectation for this year's Family Fun Day (FFD) held annually at the school. Please set aside Sunday, 4 November to enjoy an entertaining day at our school fair. More information can be found through links at the Normanhurst West P&C website: <http://www.normanhurstwestpandc.com.au/>. The school community appreciates the tireless effort from the organising FFD committee, capably led by Michelle Duncan.

Kindergarten Enrolments for 2019

ALL Enrolment Forms Are Due Now - This includes siblings of current students.

Many thanks to those parents who have already notified the office about their child starting Kindergarten in 2019. If any current NWPS parent has a child who will be starting school next year or if any of our families have neighbours in that position please inform them Normanhurst West PS is now taking enrolments for next year. It is important to get enrolments in as soon as possible as this assists our planning for 2019. Enrolment forms are available at the school office on request.

Performing Arts Concert 2018

It's finally arrived! Practices have been underway and students are very excited. Please arrive promptly with your reserved ticket and be seated ready for the concert. Students will need to be **signed out** after the night performance so please go to the classroom listed below to collect your child/children.

Kindy in KG and KT rooms Year 1 in 1JB and 1S rooms Year 2 in 1/2G and 2V rooms
Year 3 in 3MC and 3H rooms Year 4 in 4G and 4M rooms Year 5 in 5P and 5VS rooms
Year 6 in 6S and 6M rooms

Some seats and standing room is available for the Thursday night concert. Please purchase tickets on the night from Mr Gibbons.

When is Performing Arts Concert? **There are three performances:**
Wednesday 19th September at 11:30am
Thursday 20th September at 11:30am
Thursday 20th September at 6:00pm

Who goes to the Performing Arts	All students are expected to attend.
Where do the students go?	All students are to stay with their class supervised by the teachers.
What do students wear?	Notes regarding costumes requirements have been sent home.
Is my child involved?	All students K-6 are involved and will be performing at all three performances.

School Photos

Photos have been scheduled for Thursday 25th October. Envelopes indicating a choice of package options will be sent home early next term. Please return envelopes with payment to your class teacher promptly. *Students without a pre-paid envelope will not receive a photo package.*

Each child must have their own envelope filled in, although payment for families with more than one child may be made through just one child. Please indicate on each envelope, which sibling has the payment.

If you wish to order a family photo, envelopes for these photos will be available from the office. *Once again payment for these photos must be pre-paid.*

All students are required to wear full SUMMER uniform with nicely polished shoes.

Group photos have been scheduled for Wednesday 24th October. A timetable regarding these photos will be sent out next term. If you wish to order a group photo, envelopes for these photos will be available from the office.

PARENT INFORMATION

Garden Club News

Garden Club members were spoilt by Mrs Cook as she made delicious Cheese and spinach triangles from the spinach we had been growing all winter. Gardening is so fun and very rewarding too!

NWPS has done it again!

At the end of August, we sent four of our finest pilots to represent our school at the 2018 STANSW Young Scientist Paper Plane State Championships. This annual event, held at Sydney University, sees qualifying students from all over our state compete in 2 categories: time aloft and distance.

For the second year in a row, NWPS has achieved very pleasing results against stiff competition. Dominic achieved 6th place in the Year 4 Distance final, followed by Daniel who took out the Year 6 Distance competition with a whopping 28.90 metres! He also took home \$100 in prize money.

As the boys will tell you, making paper planes is so much more than a quick way to deal with unwanted sheets of homework. It's an opportunity to engage in science, technology, engineering and mathematics. Students are learning the art of aerodynamics. Each time they alter a part of their design to improve their flight, they are also learning about the importance of variables.

And, let's not ignore the persistence they are developing along the way.

Our Paper Plane Pilots:

Cassiel, Dominic, Daniel and Patrick

Great job boys!

PSSA Beecroft Zone Athletics Carnival 2018

On Wednesday 22nd August, we had a number of student athletes representing our school at the Zone Track Athletics Carnival at Greenway Park, Cherrybrook. All NWPS students ran in their races with determination, effort and enthusiasm and some even made it to the Finals for their age group. I would like to commend all students on their positive behaviour and demonstrating maturity. We also had a special guest appearance from Olympic Hurdler, Michelle Jenneke, who brought a lot of excitement to the carnival. Some of our students received her autograph and had a photo taken with her. Congratulations to Ellis T for his success on the day and making it to Area to represent our school and Beecroft Zone. Well done to all our NWPS Zone Track Athletes.

Ellis T and Dylan R with Michelle Jenneke

Eve C with Michelle Jenneke

2018 Premier's Reading Challenge

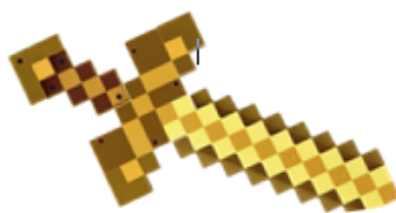

The Premier's Reading Challenge for this year has now finished for student entries!!! **If you missed getting all your books entered, please contact Miss Jones ASAP (via school email) so she can assist you in meeting the final deadline (Friday 14th September).**

CONGRATULATIONS to the following students who have had their reading logs validated:

Sylvie A (KC), Siuyu Z (KF), Joanna M (1JB), Hailey R (1P), Ryan N (1S),
Oliver G (2M), Aria W (2JN), Christian B (3MC), Ayana K (3S), Finley G (4M),
Josh D-N (5/6D), Leon R (5/6D), Stella B (6M) and Katie B (6S)

This brings the total of successfully validated reading records to 169.

Thank you for your assistance throughout the Challenge. Certificates will be distributed in **Term 4**.

3MC's Challenging Multiplication Word Problems

How good are your skills at solving multiplication problems? Try these challenging problems written by the mathematicians in 3MC. Our solutions are below.

1. A pizza costs \$8. If there are 3 types of pizza, how much money will you need to buy one of each type? (Amelie and Leanne)
2. If one shrine gives you 2 orbs. How many orbs will I get in five shrines? (Will B, Sean, Andy)
3. The Destroyer is worth 6000 Shark Teeth. How many Shark Teeth do I need for 6 Destroyers? (Gabe, Markus, Christian)
4. If you had 8 Grass Blocks and each Grass Block has 5 diamonds, how many diamonds will you have altogether? (Hayley)
5. Each square has 12 golden blocks. How many golden blocks are inside 12 squares? (Sam)
6. I bought 10 tickets to the movies. If each ticket cost me \$5, how much money will I need to pay for all of the tickets? (Maddie)

How did you
go?

3 MC's Answers:

1. $8 \times 3 = 24$
 \therefore you will need \$24
2. $2 \times 5 = 10$
 \therefore There are 10 orbs altogether
3. $6000 \times 6 = 36\,000$
 \therefore I need 36 000 shark teeth
4. $8 \times 5 = 40$
 \therefore You will have 40 diamonds altogether
5. $12 \times 12 = 144$
 \therefore There are 144 square blocks
6. $10 \times 5 = 50$
 \therefore I will need \$50

PARENTS AND CITIZENS (P&C)

Thank you NWPS children for sending in such amazing photos!

Can't wait to see the final copy of the "2019 NWPS Community Calendar".

We have announced 2V and 3MC as the winners for sending in the most photos. Well done, enjoy the TNT (ice block) party.

However, just to make sure your child doesn't miss out - you can still email a pic through until Friday night!!!

Email: nwpscalendar2019@gmail.com

Happy photo taking.

What should the P&C fund the school in 2019?

The P&C would like to find out from our school community what you would like to see the P&C fund for the school in 2019.

We have some ideas, but would like you to give us more!!!

At the next P&C meeting, **Tuesday 18 September**, feedback from this consultation will then be summarised. Members will then vote on the priority items for the P&C to fund in 2019.

The items will then be presented by the P&C Executive to the Principal, to jointly design and agree to the 2019 P&C Expenditure Plan.

Please click on the [link](#) to complete the survey!

PARENTS AND CITIZENS (P&C)

Family Fun Day - Sunday 4 November 2018

Volunteers Needed to Help with FFD 2018

We are fortunate to have many talented and enthusiastic parents at our school and we need your help with FFD 2018! If you're able to spare some time to join our friendly team we would be most grateful. Our school's annual fundraiser wouldn't be possible without the help of our amazing volunteers. Even if it's just a couple of hours you can spare we can find a role that fits in with you.

The 5c Challenge Returns! Last year our fabulous students collected over 28,000 coins for the 5c Challenge – an amazing effort. This year we are hoping to break that record and to make it easier we are adding 10c coins to the challenge. So start collecting your 5c & 10c coins and bring them into your class. The class that collects the most coins will be enjoying Krispy Kreme Donuts!

Donations Required for our Auction

The Auction is a popular part of FFD offering some great bargains and proceeds go directly back to our school. Please consider donating an item such as gift vouchers or products for gift hampers. We will gratefully receive any donation. Please ask your work, neighbours and friends if they can help our school by donating an item to our Auction, thank you.

September 2018

Dear Parent,

Welcome to Normanhurst West Public School. We hope your association with us will be a very happy and rewarding time for all.

To facilitate as smooth a transition as possible for the children enrolling at our school we have arranged the following as part of our orientation program.

Whilst out of area applications are still being considered and will be determined by the end of term 3, the experience of orientation day can only be positive for your child, no matter where you enrol. We therefore extend this invitation to all families considering enrolling at Normanhurst West.

PLEASE CHOOSE EITHER **BOTH THE TUESDAY** OR **BOTH THE WEDNESDAY** SESSIONS

Parent Session 1	Parent Session 2
KINDERGARTEN INFORMATION	WHAT'S CHANGED?

Time: 9:15 to 11:00am (Hall)	Time: 9:15 to 10:30am (Hall)
<ul style="list-style-type: none">• Parents will be presented with information regarding school routines, enrolment procedures, getting ready for school, how parents can get involved with school and other topics of concern• Uniform requirements will be addressed• Information pack will be distributed• Refreshments will be served	<ul style="list-style-type: none">• Parents will be given a brief outline of the Kindergarten curriculum and specifically changes in the teaching of Reading, Spelling, Writing and Mathematics with the Best Start Initiative• Refreshments will be served

The following program has been organised for the 2019 Kindergarten students:

<p>Child Session 1 KINDERGARTEN WORKSHOP</p> <p>When: Tuesday 30th October OR Wednesday 31st October 2018</p> <p>Time: 9:15 – 11:00am (Kindergarten room)</p> <ul style="list-style-type: none"> • Students will be involved in experiencing kindergarten activities • Refreshments will be served 	<p>Child Session 2 KINDERGARTEN WORKSHOP</p> <p>When: Tuesday 6th November OR Wednesday 7th November, 2018</p> <p>Time: 9:15 – 10:30am (Kindergarten room)</p> <ul style="list-style-type: none"> • Students will be involved in experiencing kindergarten activities • Refreshments will be served
---	--

This is a special occasion for parents and prospective Kindergarten students for 2019. Unfortunately due to Duty of Care issues, we are unable to cater for toddlers. We therefore request that toddlers not attend these sessions.

We will write to you again later in the year to let you know your child's Best Start Assessment time (1 hour) which will be held a day or two before the kindergarten classes start. We will advise you of the date that kindergarten classes start for 2019 at this time.

Please remember that we must sight Immunisation documents, Birth Certificate and Proof of residential address before your child can start school. If you have not already done so, please bring these documents with you on any of the orientation days.

We are looking forward to being involved in your child's education.

Jane Grimshaw Rel./Assistant Principal

To assist us with catering for these orientation days, please complete and return the RSVP slip below or email it to normanhurw-p.admin@det.nsw.edu.au by [October 19, 2018](#)

Tuesday 16 October 2018

at 9.15am in the School Auditorium

Sydney Technical High School, established in 1911, has a proud tradition of student achievement. The school prepares young men who are scholarly and socially responsible. Features of the school include languages, music, visual arts, debating, public speaking and sport. Teaching and learning programs feature higher order thinking and are recognised as best practice in gifted education. The school actively promotes an environment in which student welfare, tolerance of others and strong community values support each student reaching his potential.

Enrolments: Students seeking entrance into Year 7 must participate in selection procedures organised by the Department of Education. For further information contact the High Performing Students Unit on 1300 880 367 or email: ssu@det.nsw.edu.au.
